- Commented tasting of 4 wines: Raza Pet-Nat White, Dom Diogo Arinto, Dom Diogo Padeiro, and Quinta da Raza Alvarinho-Trajadura;

- Pair with traditional bread, homemade jams, toasts made from organic Portuguese preserves, and a board of regional sausages and cheeses.

**Price:** 29,50 € per person

### **Picnic at Quinta da Raza**

Immerse yourself in pure nature! The experience begins with a visit to the Quinta da Raza winery and a brief explanation of the aromas and flavours of the most typical grape varieties in Basto.

We will then take you to the location we have selected for your picnic, where the delightful delicacies we have prepared and our selection of wines await you.

Then, surrounded by our vineyards, relax and enjoy the moment. Take your time, enjoy the peaceful atmosphere, the chirping of birds, and the unique landscapes of Basto.
